2. **The public information relating to the listed Sections:**
This notice reopens a rulemaking record and provides additional opportunity for public comment. The notice is being published to remedy the Department's inadvertent error in scheduling an oral proceeding on the Dairy and Dairy Products rules earlier than 30 days after notice of its location and time published in the Register as required in A.R.S. § 41-1023(D). The Department held an oral proceeding on August 3, 1998, based upon the Secretary of State's published Register deadline dates. The Department closed the record on August 4, 1998, and adopted the rules on August 10, 1998.
